

D-Tech DB-5082/3 Wireless Scanner D-Tech DB-6080 Corded Scanner

The super easy to use D-Tech 1D DB-5082/3 cordless CCD scanners are portable wireless readers that offer tremendous performance for a remarkably low price.

The DB-5082/3's also feature a **remote data collection** mode for **stocktaking**, are supplied with a USB HID plug and play transponder and come with a cable for USB port recharging.

Top Spot

The DB-5082/3's are ideal for offices and libraries. **No cable clutter.** (3 Year RTBR Wty)

D-Tech DB-5082/3 cordless CCD scanners with High Capacity Li-ion battery & USB HID Dongle.

DB-5082 (short range 10m+) \$242.00 incl GST.

DB-5083 (full range 80m+) \$286.00 incl GST.

The D-Tech DB-6080 1D USB linear image scanner is now the undisputed leader for versatility, affordability and style in its class. The exceptionally comfortable design when accompanied with the rugged and easily adjustable hands free desk stand completes the finishing touch.

The DB-6080's high-resolution super fast system with optional IR auto trigger feature is **ideal for young hands** in or out of stand.

When seated on the circulation desk for **HANDS FREE** scanning the DB-6080 is great for use in libraries. All the above supplied with 3 Year RTBR Wty. (Cable 1 Year)

DB-6080 corded CCD scanner. \$132.00 incl GST.

USB cable & optional desk stand. \$ included.

D-Tech DB-6083 1D Linear Image Wireless Scanner and Data Collector

Absolute Value

Featuring a highly rated battery life of up to 12 Hrs manual reading per charge and with an exceptionally good 80+ metre line of sight wireless range, the DB-6083 is perfect for hassle free cordless bar code scanning,

The DB-6083 is supplied with a charging station/cradle that doubles as the USB HID receiver simply sit it in the cradle to top up the battery. Current models now include an optional **IR Auto Trigger mode** for use when out of the cradle and Hands Free presentation mode operation when parked in the cradle. Plug and Play installation, no driver software required. PC and Mac compatible.

A large data storage capacity is incorporated allowing the DB-6083 to be used for **library / asset stocktaking** when collecting data beyond the wireless range.

D-Tech DB-6083 wireless 1D scanner with high capacity 2000mAh Li-ion battery and USB charging station. \$341.00 incl GST plus P&P

Supplied with 3 year Return to Base warranty.

NEXA CM-520M Portable CCD Scanner for Asset & Stock Collections

Economy Portable

Powered by its own internal Li-ion battery, the personal portable CM-520M CCD scanner can be carried to any location where stocktaking or asset data collecting needs to be undertaken. The internal 4MB non-volatile memory is capable of storing in excess of 10,000 average length UPC or library/asset bar codes for downloading to the host device when required (Optionally with time and date of each scan if required).

Time and Date stamping (obligatory for true audits) is optional and user selectable, data downloading is via the USB HID cable, battery recharging is also via the USB port.

When not required for portable data collection operation the CM-520M can be attached to the host computer with the supplied USB HID cable and operated as a **light duty use** desk top bar code reader for data access or library loans and returns. (1 Year RTB Wty)

CM-520M CCD Portable with USB HID I/F cable. \$297.00 incl GST + P&P

CM-500W3 CCD BT Portable for use with iPad/iPod. \$341.00 incl GST + P&P

Now supplied with protective silicon rubber boot. (Available separately as accessory).

Cipher 1000 CCD Touch Scanner

The economical Cipher Lab 1000A corded touch scanner gives high performance at a very affordable price. All major bar code symbologies are fully supported. The Cipher Lab scanners have revolutionary optics and features that make the toughest barcodes child's play. Supplied in **Black**.

The Cipher Lab 1000 scanner's main board and scan engine are covered by Cipher's **return to base warranty**.

Cipher 1070 3 Yr Wty Discontinued.
Cipher 1000 5 Yr Wty \$121.00 incl GST.

Additional Postage & Packaging cost apply.

Cipher 1504P Corded 1D/2D Scanner

The Cipher Lab 1504P 1D/2D speedy scanner raises the standard for performance style, and affordability, Will read conventional bar codes as well as 2D QR codes, An incredibly comfortable design the optional smart three-way scanner stand makes good sense, is easily adjustable and good looking. The stand can work on a vertical surface, on the desktop or elevated for **OMNIDIRECTIONAL HANDS FREE** auto-sense scanning making it ideal for libraries.

3 1773 00030011 6

Cipher 1500P 1D 5 Yr Wty \$198.00 incl GST.

Additional Postage & Packaging cost apply

D-Tech DB-6023 Wireless 1D/2D Area Image Scanner

Featuring an incredible rated battery life of up to 12 Hrs manual reading per charge the DB-6023 is the ultimate in hassle free cordless barcode scanning with an exceptionally good 80+metre LOS wireless range of operation. An **optional auto trigger** feature is included for "Presentation Mode" scanning.

The DB-6023 can be used to scan conventional 1D planar bar codes as used in libraries and for other assets as well as the NEW 2D (two-dimensional) QR code, **Datamatrix** and **PDF417** symbology bar codes.

The DB-6023 is supplied with a charging cradle that doubles as the USB receiver. Computer installation is a simple plug and play arrangement,

A large data memory storage capacity is incorporated allowing it to be used for library/asset stocktaking when operating beyond normal wireless range.

D-Tech DB-6023 wireless 1D/2D scanner with large 2000mAh Li-ion battery & USB charging station. \$396.00 incl GST plus P&P

Supplied with 3-year Return to Base replacement warranty.

1D / 2D Area Imaging

Cipher Lab 2200 1D/2D Omnidirectional Corded USB Desktop Scanner

Hands Free

Built specifically for commerce and transportation industries the omnidirectional scanning capabilities of the Cipher Lab 2200 series will provide a fast and reliable workflow. A manual scan button is also supported if required.

The Cipher Lab 2200 has an accelerated scan rate of 60 scans per second. This scan rate allows reliable scans of conventional 1D and 2D barcodes instantly.

When installed on the circulation desk for automatic **HANDS FREE** scanning the 2200 is great for use in libraries. All the above supplied with **3-year Return to Base warranty**. (USB Cables 1 year Wty)

Cipher Lab 2200 scanner with USB I/F cable. \$286.00 incl GST. plus P&P

NEXA NL-1950 BT Wireless Portable Barcode Scanner and Data Collector**Very Popular**

The **NEXA Base Station** attaches to the PC via USB cable connection (not illustrated) and acts as bluetooth wireless communicator plus lithium Ion battery charger. When parked in the cradle the NL-1950 acts as a presentation scanner.

The NL-1950 barcode hand scanner can be freely detached from the Base Station and used remotely up to 90 metres line of sight from the base PC.

Should data collection be required beyond the specified 90-meter wireless range, the NL-1950 can be easily instructed to operate in **batch collection mode** for stocktaking. All the scanned barcodes are then stored within non-volatile memory to be downloaded to the PC or Mac later.

NEXA NL-1950 CCD with Base Station, cables, rechargeable Li-ion battery and power adapter for USB connection to the PC. \$495.00 incl GST plus P&P

3 year Return to Base warranty. (USB Cables 3 Months Wty, Battery 6 Months Wty)

Cipher 1560/1562 BT 1D Wireless Portable Barcode Scanner and Collector

The **Heavy Duty Base Station** is connected to the PC via USB cable connection (not shown) and acts as bluetooth wireless communicator plus lithium Ion battery charger.

The 1560/1562-barcode-reader hand piece can be freely lifted from the Base Station and used remotely up to 90 metres line of sight from the base PC.

When usage is required beyond the specified 90-metre wireless range, the 1560/1562's can be easily instructed to operate in **batch collection mode**. All the scanned barcodes are then stored within non-volatile memory to be downloaded to the PC or Mac later.

CIPHER 1560P CCD complete with Heavy Duty Base Station, 800mAh battery, battery charger and power transformer for USB comms. \$473.00 incl GST plus P&P

CIPHER 1562 (Laser Version) with H.D. Base. \$682.00 incl GST plus P&P

3 year return to base Warranty. (USB Cables 3 Months Wty)

**Old Favorite****Cipher 1661-1663 BT Portable CCD Scanner for Stock & Asset Collections**

Powered by 2 **AAA** Alkaline or 2 **AAA** rechargeable NiMh cells (Alkaline Batteries Included), the **cordless** Cipher 166* series when set for **batch collection mode** *can be taken to any remote location* where stocktaking or data recording is required. The built-in 256-Kb of non-volatile memory is able to store over 15000 average asset or library bar codes for subsequent downloading to the host device when needed.

When not required for portable data collection operation the Cipher 166#s can be used as a personal desktop bar code reader for general loans and returns. When set as a conventional reader the **plug and play** Cipher 3610 USB Bluetooth transponder allows scanning to be comfortably undertaken anywhere within 10 metres of the PC or Mac.

CIPHER 1661 CCD Portable Scanner & Transponder. \$418.00 incl GST + P&P

CIPHER 1663 CCD Portable Scanner for iPad/iPod. \$418.00 incl GST + P&P

CIPHER 3610 HID Transponder for 1663 to PC I/F. \$99.00 incl GST + P&P

Models 1661 & 1663 includes rechargeable batteries etc. All 1 year return to base Warranty.

NEXA IG-610 1D/2D Corded Area Imager Bar Code Laser Scanner

The NEXA IG-610 1D/2D laser spot scanner would be one of the easiest and most convenient to use scanners currently available. The IG-610 can be used to scan conventional bar codes as used in libraries and for assets as well as the NEW two-dimensional QR code and PDF417 bar codes,

Featuring Motorola's latest advanced scan engine technology the NEXA IG-610 is representative of the NEW direction in bar code readers. Area Image scanning reduces the need to accurately align the scanning beam with the bar code making the task of reading bar codes more like point and shoot, this makes scanning bar codes faster and more convenient. Installation is straightforward HID Plug & Play.

Supplied with **3-year Return to Base warranty.**

NEXA IG-610 1D/2D Area Image Scanner with USB I/F
Optional Hands Free Stand

\$297.00 incl GST plus P&P
\$55.00 incl GST.

NEXA LS6150 1D Hands Free Laser Scanner

Hands Free

The Nexa LS6150 Laser scanner represents the best value Laser Scanner on the market today. The exceptionally classy design with the easily adjustable and stylish looking hands free desk stand completes the package. The LS6150's first class bar code auto detection system makes scanning a breeze for all users.

When installed on the desktop for **HANDS FREE** scanning the LS6150 is ideal for use for use on the circulation desk in any library. All the above supplied with **3-year Return to Base replacement Warranty.** (USB Cables 1 year Wty)

NEXA LS6150 Laser scanner.
Hands free stand.

\$143.00 incl GST.
\$ included

NEXA BL-8050 1D Omnidirectional Desktop Scanner

Nexa's latest bench top laser scanner utilises multiple omnidirectional scan lines to facilitate quick and easy hands free scanning.

This is the same type of scanner that can be found being used in various point of sale locations like service stations and small supermarkets to process items quickly and accurately. The omnidirectional placement of the scan lines eliminates the requirement to align the bar code with a single specific beam, and results in faster and easier processing.

All the above supplied with **2-year Return to Base replacement Warranty.** (USB Cables 1 year Wty)

NEXA BL-8050 with USB I/F \$297.00 incl GST plus P&P
